Message from The Chief Patron

I believe that GN Times will serve as a window through which the complete co-curricular activities, achievements and progress made during the stipulated period can be viewed.

We at GNIT College of Management are committed to creating an ambience for nurturing innovation, creativity and excellence in our students. We aim to prepare the young professionals to confidently and competently face the challenges of intensifying competition by imparting high quality technical and managerial education coupled with appropriate training and wide exposure to the state-of-art practices. Our educational programs lay emphasis on all round personality development and also in inculcating human values and professional ethics which help our students become more humane and socially alive to lead a meaningful life.

Best wishes for the success of “GN Times”.

The MBA Department celebrated International Yoga Day on 21st June with great enthusiasm and positive energy. The session aimed to promote physical well-being, mental clarity, and holistic health among students and faculty.

The event included:

- ✓ Guided yoga practice covering asanas, pranayama, and meditation
 - ✓ Insights on the importance of integrating yoga into daily life for stress management and productivity
 - ✓ Interactive discussions on wellness and mindfulness for future managers
- Students actively participated in the session, experiencing calmness, focus, and rejuvenation. The celebration served as a reminder that health is the greatest wealth, especially for professionals managing dynamic responsibilities.

Student Testimonials

"Choosing GNIT College of Management for my management studies was one of the best decisions I've ever made. The curriculum is rigorous yet relevant, and the professors are not just educators but mentors who genuinely care about our success. The exposure to real-world business scenarios through case studies and internships has been invaluable. I feel confident and well-prepared to step into the corporate world."

— Anurag

"The diverse and inclusive environment at GNIT College of Management has truly enriched my learning experience. The emphasis on leadership development and soft skills, alongside technical knowledge, has equipped me with a well-rounded skill set. The networking opportunities here are incredible, and I've made connections that will last a lifetime. I'm grateful for the guidance and support I've received throughout my journey."

— Avantika Chauhan

"At GNIT College of Management, I've had the opportunity to learn from industry leaders and engage in thought-provoking discussions that challenge conventional thinking. The faculty encourages us to think critically and approach problems creatively, which has been instrumental in shaping my analytical abilities. The combination of academic rigor and practical experience has set a solid foundation for my future career."

— Harsh Pathak

"What sets GNIT College of Management apart is its commitment to experiential learning. The hands-on projects, real-time simulations, and corporate partnerships have provided me with insights that go far beyond textbooks. The college fosters an entrepreneurial spirit, encouraging us to innovate and take risks. I feel empowered to pursue my career goals with confidence, knowing that I have the skills and knowledge to succeed."

— Shriya Maheshwari

"The vibrant campus life and the collaborative atmosphere at GNIT College of Management have made my time here truly memorable. The support from faculty and peers has been exceptional, creating a community where we all strive to achieve our best. The leadership programs and global exposure have broadened my perspective, preparing me to navigate the complexities of the business world. I couldn't have asked for a better place to grow academically and personally."

— Prachi Yadav

"The global perspective I gained at GNIT College of Management, was a defining aspect of my MBA experience. The study curriculum, collaborations and diverse student body provided invaluable insights into different business cultures and practices. The MBA program has truly expanded my horizons and equipped me to thrive in a global marketplace."

— Arun Maurya
